

Chinese Theater Mask, Carved And Polychrome Wood - Qing Dynasty - Late 19th - Early 20th Century

280 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 14,5

Height : 20

Description

Chinese theater mask carved from wood and polychromed, likely dating to the late Qing Dynasty or the early 20th century. Its powerful expression, original polychrome paint, and its beautiful patina attest to the quality of this fine piece. A piece full of character, ideal for an Asian art collection or refined interior decor.
