Description

Timeless elegance for your homePurchasing a pair of 19th-century gilded Venetian mirrors is a statement of absolute style, as these decorative pieces embody the essence of Italian artisanal luxury. At first glance, you'll be struck by the brilliance of the gilding, which, despite the passage of centuries, retains a magnetic charm. Furthermore, the mastery of Venetian carvers is evident in every ornamental detail, transforming each mirror into a true wall sculpture. Certainly, owning two identical pieces allows you to create perfect symmetry in a prestigious living room or a refined entryway.Quality and Technical Details of ExcellenceThese pieces are in excellent overall condition, preserving the integrity of both their structure and reflective surface. Furthermore, their attractive dimensions--45 x 75 cm
