

Chiseled And Gilded Bronze Clock

Description

An elegant mantel clock in finely chiseled and gilded bronze, embodying the elegance and decorative taste of early 19th-century French craftsmanship. The case, with its balanced architectural lines, is embellished with high-quality ornamental details: the front features a delicate allegorical scene with cherubs, rendered in relief with extraordinary attention to detail, symbolizing love and harmony. On either side, classical-style female figures lend the composition a sense of grace and solemnity, while the top is crowned by a decorative element in the neoclassical style. The circular white enamel dial, featuring Roman numerals and metal hands, blends harmoniously into the structure, offering an elegant chromatic contrast to the gilded bronze. The internal mechanism is of the
