### Description

Antique 17th-century Venetian "fratino" table: timeless charm and sturdiness This extraordinary 17th-century walnut "fratino" table, originating from an ancient Venetian monastery, is an authentic example of period craftsmanship capable of bringing warmth, history, and value to any setting. With its original patina and unique presence, it stands as a tangible testament to monastic design and the noble simplicity of 17th-century Italy. Authenticity and Collectible Character: Antique "Fratino" Table Crafted entirely from solid walnut, this table features a solid and well-proportioned structure, with imposing legs and double-span crossbars. Every detail reveals the expert hand of the cabinetmaker who created it, likely for highly prestigious religious settings. Precisely because of its

monastic origins, it is characterized by simple yet powerful forms, designed to last for centuries and withstand the test of time. Important details not to be missed. The table measures 310 x 87 x 81 cm, offering a generous amount of space ideal for reception areas, grand dining rooms, or historically inspired interior design projects. It is in good overall condition, with a beautiful antique patina that has been carefully preserved, enhancing its authenticity. For the most discerning buyers, it may require light conservative restoration. Secure shipping and flexible payment options. We ship worldwide via FedEx, UPS, DHL with professional packaging and insurance included. Shipping throughout Europe to be arranged. Payment by bank transfer, Visa, or Mastercard. Conclusion: A unique opportunity for collectors, interior designers, and lovers of antiques. A table of this caliber is much more than a piece of furniture: it is a fragment of history.
