Description

A magnificent and rare Baccarat champagne bucket, the Harcourt "Moulin Rouge" model, crafted from cut crystal and featuring a stunning silver-plated metal base. A true icon of the Baccarat workshop, this model echoes the architectural lines of the famous Harcourt collection: beveled edges, precision cutting, and exceptional crystal clarity. Its silver-plated metal frame, elegantly curved and featuring two handles, gives it a refined and timeless look. Designed to chill a bottle of champagne, this bucket also serves as a remarkable decorative piece. This model is sometimes referred to as the "Moulin Rouge," a name used for this prestigious version of the Harcourt champagne bucket. Height: 23 cm Weight: 7.20 kg Diameter: 27 cm (including handles) Material: Crystal Color:
