Description

China, ancient jade plaque carved and pierced in the style of Western Han creations (2nd-1st century BCE). The rich decoration features fantastical animal forms resembling dragons along the outer edge, with their heads forming the ends. The center is occupied by a triangle adorned in the middle with two bats facing each other. The details are meticulously engraved into the stone. The piece as a whole is particularly harmonious. Good condition, no chips or cracks. Dimensions: Length 13.4 x Height 8.7 (cm). We take special care with our packaging by using optimal protective materials. Shipments are sent with insurance included. Shipping rates: Metropolitan France: 18 euros; European Union countries and Switzerland: 26 euros; Eastern European and Maghreb countries: 35 euros;
