

### 3-seater Mahogany And Fabric Sofa In The Biedermeier Style, 19th Century

900 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Length : 205

Height : 97

Depth : 63

#### Description

Large Biedermeier-style mahogany sofa. The upper backrest and waistband are decorated with godrons and stylized cornucopias; the armrests are fluted, and the legs are claw-foot. Upholstered with a light-colored fabric added later. Notable features include the firm seat, the piece's patina--the mahogany has lightened and the blackened wood sections have faded, giving the sofa a unique appearance. Please contact me regarding transport and shipping.
