Description

An elegant set of six Baccarat crystal wine glasses, crafted using a technique that combines molded crystal and cutting, characteristic of the French manufacturer in the 19th century. Each glass features a remarkable twisted relief design, topped by a frieze of fine vertical ribs. They rest on a baluster stem ending in a finely molded star-shaped base. The transparency of the crystal, the quality of the finishes, and the rich play of light attest to the craftsmanship of the prestigious Baccarat crystal house. The set is in excellent condition, with no chips or cracks. Height: 9.5 cm. It is possible to purchase a second set of six glasses.
