Description

Large watercolor drawing signed "LANCRET" at the bottom center, for Nicolas LANCRET, 18th century. This drawing depicts a camp where various figures can be seen going about their daily activities: women tending to children while another plays with a hoop. Good overall condition, nice size. 19th-century stuccoed and gilded wooden frame, some chipping but in good overall condition drawing signed by Nicolas LANCRET 18th century. Nicolas LANCRET born in Paris on January 22, 1690 died in the same city on September 14, 1743. French School. Lancret enjoyed a great reputation during his lifetime. He painted a large number of genre paintings--village weddings, balls, and fairs--as well as many drawings, a few portraits of his contemporaries, and historical compositions.
