Description

Refined and unique sterling silver cruet, manufactured in Chester in 1851, with finely chased crystal. The cruet features an exotic wood base, with a finely crafted silver handle, rim, and feet. It also comes with five crystal cruets: two for oil, two for vinegar, and one for salt. The cruets and rim are also marked and stamped, indicating the manufacturer and the silver. This is a work of great quality, both in terms of its engraving and production, capable of adding a touch of class and refinement to any setting. English manufacture in Chester, Victorian period, around the mid-19th century. Dimensions: H x D x H 25 x 15cm
