### Description

\* Baccarat Crystal, Charles X period \*A very beautiful pair of antique bottles made of molded and cut crystal. Generally hexagonal in shape, they rest on small heels edged by a thick, rounded lip, followed by a knotted body with fluted, concave, and convex facets. Rising from the main body of the vials is the neck, which has a flared base and a constricted upper section featuring faceted cuts; similarly, some of the facets on the flower-corolla-shaped stoppers are also faceted. Each bottle is engraved with a number on the neck and stopper, with the same number on each bottle. These two bottles are in very good condition; they show no chips, cracks or minor knocks. Height of bottle with stopper: 17.3 cm Height of bottle alone: 12.3 cm If you have any questions, please feel free to contact
