Description

A charming mantelpiece watering can made of fine Saxon porcelain, entirely hand-painted with delicate bouquets of multicolored flowers on a white background. The sky-blue borders, purple-pink fillets, and gold highlights elegantly accentuate the refined lines of this piece.Its original shape, with its wide, curved handle and long spout topped by a watering can head, makes it a particularly charming decorative object, typical of Saxon productions from the second half of the 19th century.This porcelain, crafted in the style of the famous Meissen manufactories, demonstrates superb craftsmanship and great finesse of execution.Shipping within Metropolitan France: 50EUR.Contact us for more information.
