Description

Stunning inlaid bed frame in Middle Eastern/Damascene style - Bone and mother-of-pearl mosaic marquetry. An exceptional piece of craftsmanship: wood mosaic marquetry with geometric motifs inspired by Islamic art. Acquire a spectacular piece of craftsmanship with this complete and richly ornamented headboard in the Syrian (Damascene) style. The set consists of three main panels forming a triptych and two freestanding side columns; the entire piece is covered with a geometric mosaic marquetry of breathtaking finesse and beauty. Condition: Pre-owned. As shown in the photos, the mosaic and inlay are in remarkable condition, with very precise assembly. There are slight signs of wear due to age, notably a small mark or scratch on the wooden spacer post.
