Description

Reversible-Top Game Table - Louis XV Style - 20th CenturyA charming Louis XV-style game table resting on four curved legs topped with small scrolls, adorned with delicate carvings at the base of the legs. The ornate molding echoes the elegant lines of Rocaille furniture.Its main feature is its reversible tabletop:one side is covered in green leather, ideal for card or board games;the other features a checkerboard inlaid with wood veneer, perfect for playing chess or checkers.The tabletop is removable and reveals a practical storage compartment for cards, game pieces, dice, or other game accessories.The finish features an elegant aged black and ivory patina, giving it timeless charm and a beautiful decorative presence. This table will naturally find its place in a living room, a library, or an office.In
