350 EUR

Signature : Legras

Period : 20th century

Condition : Parfait état

Diameter : 20 cm

Description

A beautiful and rare Art Deco Legras goblet featuring dragonflies and water lilies. Despite extensive research, I have not found any other pieces with this design; it must be quite rare. The design is deeply engraved and sandblasted on a glossy pink background, truly capturing the timeless spirit of Art Deco. The piece is acid-marked within the design, in perfect condition, 20 cm in diameter, circa 1925. A collector's item--rare and featuring a timelessly appealing theme.
