Description

Pair of vintage 1950s armchairs in wood and fabric. With their organic lines typical of mid-20th-century design, these armchairs will bring timeless elegance and absolute comfort to your home. Fully restored, they have been reupholstered with a gorgeous, high-quality, textured off-white bouclé fabric--very on-trend--that pairs perfectly with the warm, golden hue of their solid beech wood frame. Their profile is particularly striking thanks to dynamic, finely crafted "compass-style" armrests and a winged backrest elegantly accented by discreet studded piping. Materials: Varnished solid wood frame; seat and backrest in wool-effect bouclé fabric. Condition: Excellent overall condition. Stable and sturdy frame. Firm and comfortable upholstery; impeccable new
