

18th-century Basque Chest

1 400 EUR

Period : 18th century

Condition : Très bon état

Material : Solid wood

Length : 1.87 m

Height : 77 cm

Depth : 58 cm

Description

18th-century Basque chest, folk art. The front features a motif symbolic of this culture--in this case, a depiction of the sun. It rests on a wide, carved base. An imposing and rare piece. Free delivery in the region.
