17th-century Lead Medal

380 EUR

Signature : Claude Warin

Period : 17th century

Condition : En l'etat

Material : Lead

Width : 10,5 cm

Depth : 1,2 cm

Description

A lead medal depicting a profile bust of Scipio Africanus. This medal was engraved by Claude Warin (1607-1654), an artist from Lyon who worked as a sculptor, engraver, and medalist. The Lyon Museum of Fine Arts holds a similar specimen. Our medal was likely exposed to the elements and has a fine crack at the bottom of the bust.
