

## China, Canton Porcelain Lamp In The

460 EUR

Signature : Canton

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 20

Height : 40 à la monture et 73 jusqu'en haut

### Description

Elegant 19th-century Canton Chinese porcelain lamp, in a "suantouping" or "garlic clove" shape made of polychrome glazed porcelain with a reserved-ground decoration featuring figures and children in a landscape against a latticework background (the base is pierced) converted into a lamp at a later date, openwork bronze mount. A lovely piece, very decorative.
