Description

This beautiful oil painting on hardboard is in very good condition and ready to hang. The artist, Joseph Colombini (1917-1997), was from Provence. His works, particularly his seascapes, regularly sell at auction houses. He typically created paintings of fairly modest dimensions, yet this one is particularly large and well-executed; the rocks stand out perfectly against the sea in shades of blue. The piece as a whole is very decorative. Dimensions with frame: 99 x 59.5 cm. Dimensions without frame: 80 x 40 cm. Shipped with an invoice--fast, careful, and very secure.
