Length : 8,5 cm

Width : 5,5 cm

Height : 1.8 cm

Description

A yellow gold snuffbox, rectangular in shape with beveled corners. The hinged lid is adorned with a lattice pattern, framed by a blue enamel border. This frame is embellished across its width with a vase of flowers and along its length with an alternating pattern of flowers and leafy buds. The beveled corners are decorated with leaves. Vertical diamond-shaped silversmith's hallmark bearing the initials "C" and "P" separated by a space, the mark of Christian Chrétien Petschler. Presented in a green leather case with a beige velvet interior and the collector's initials. Condition: Excellent condition. Note: Christian-Chrétien Petschler was active as a goldsmith and jeweler in Paris between 1814 and 1838. Provenance: formerly part of an important European private
