

Asian Bronze Vase. 18th Century

450 EUR

Period : 18th century

Condition : Très bon état

Material : Bronze

Height : 15,2 cm

Description

I am offering here a very rare 18th-century Asian bronze vase. The patina is a deep brown. Both the body and the neck are decorated with archaic-style friezes. The handles are shaped like deer antlers, giving this vase a unique appearance. It is rare to find a vase with this type of handle. A high-quality piece.
