

Enameled Gold Perfume Vinaigrette

4 200 EUR

Period : 19th century

Condition : Réentoilé

Material : Gold

Description

A small perfume box, also known as a "vinaigrette." It is made of 18-karat gold. It features enameled decoration on all sides against a guilloché background. The lid is decorated with two doves flanking the symbol of music. The outlines are rendered in the same green color within frames of gold and blue scrollwork on a black background. It opens with a hinged lid featuring a very finely chased latticework pattern. Hallmarks: late 18th century and "S.N3" in a diamond shape. Weight: 17.4 g Dimensions: 3 cm x 2 cm
