### Description

COD 11603 Large Italian wall light from the second half of the 20th century. Crafted from iron, brass, crystal, and glass, this exceptionally high-quality wall light is made by Banci, Florence. The working wall light features three lights: two on the sides and a large central spotlight that illuminates the parrot and the crystal flowers (see photo) on top. The parrot has been restored with a fabric band applied to the break (see photo). This large, striking wall light is ideal for a living room, study, or bedroom. A hard-to-find item, it's ideal for antique dealers, interior decorators, and collectors of objects produced by the renowned Florentine company. The wall light is not perfect due to minor restoration work, but is in overall good condition. As each of our products it will be
