

Art Nouveau Wall Sconce By Noverdy - Marble-effect Glass

150 EUR

Signature : Noverdy

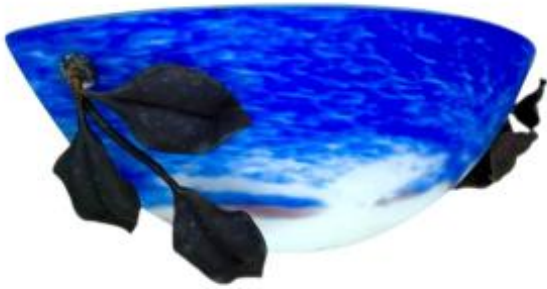

Period : 20th century

Condition : Bon état

Material : Glass

Length : 32cm

Width : 16cm

Description

This authentic piece consists of a marmoré glass basin (a type of pâte de verre) featuring intense shades of cobalt blue and milky white, creating a stunning luminous effect when illuminated. Its sides are adorned with its original patinated wrought-iron mounts, finely crafted with foliage motifs.
