

Pair Of French Vases Made Of Turned Red Marble With Gilded Bronze Mounts

1 200 EUR

Period : 19th century

Condition : Très bon état

Material : Marble

Description

An elegant pair of decorative French vases made of turned red marble, adorned with finely chiseled gilded bronze mounts. Combining luxurious materials and refined craftsmanship, these charming ornamental pieces reflect the neoclassical style that has characterized French decorative arts since the 19th century. Each vase is beautifully turned from richly veined red marble, revealing the stone's natural beauty through its warm tones and distinctive patterns. The marble is enhanced by exquisite gilded bronze mounts, meticulously cast and hand-chiseled, adding sophistication and contrast to the polished stone. Their harmonious proportions and refined details make them ideal decorative pieces for a mantelpiece, console table, bookcase, display cabinet, or desk.
