

19th-century French Store Counter Made Of Solid Walnut

1 200 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

A 19th-century store counter, handcrafted from solid walnut, combining sturdiness with timeless elegance, typical of traditional French cabinetmaking. Originally designed for a prestigious boutique or retail establishment, this remarkable piece now blends elegantly into both residential and commercial interiors. Entirely crafted from solid walnut, this counter features a rich grain, a warm hue, and a magnificent patina--characteristics of century-old wood. Its clean, architectural lines highlight the quality of the material and the exceptional craftsmanship, showcasing the natural beauty of the walnut. Thanks to its long, narrow proportions, this counter offers exceptional versatility. It can serve as a display counter, reception desk, kitchen island, bar, console table, or serving table,

making it ideal for antique dealers, boutiques, art galleries, restaurants, hotels, and sophisticated residential interiors. The simplicity of its design reflects the functional elegance of 19th-century French commercial furniture, where durability and craftsmanship were paramount. Its authentic patina and sturdy construction make it both a practical piece of furniture and an item of historical interest. A rare and highly decorative antique counter, combining authenticity, functionality, and the timeless beauty of solid walnut.

Origin: France
Period: 19th century
Material: Solid walnut
Dimensions: Height: 94 cm
Width: 228 cm
Depth: 33 cm
Condition: Very good condition for an antique piece. Minor wear, marks, and patina, consistent with its age and prolonged use. The solid walnut has developed a rich and warm patina that highlights its historic character.
