### Description

A ceremonial table, open on all sides, made of gilded wood and richly carved. Nearly 225 m long, this center table is truly impressive with its elaborate carved decoration that adorns the legs and the base of the piece. It features floral motifs, foliage, quivers, and scallop shells. Our game table evokes the splendor of the Sun King's court and the virtuosity of the carvers tasked with ornamenting his furniture. Highly impressive for its decoration and the quality of its craftsmanship, it rests on four slightly curved legs carved with foliage. The central band is adorned with a floral frieze
