### Description

Two-panel folding screen in cream-lacquered wood with beveled mirrors - Louis XVI style  
Elegant two-panel folding screen made of molded, cream-lacquered wood, adorned with large antique beveled mirrors. The side panels are delicately adorned with a pattern of beads and small motifs inspired by the Louis XVI style, while the tops feature an elegant scalloped edge that lends lightness and refinement to the piece. The two panels are connected by their original hinges, allowing for easy adjustment of their opening. This folding screen is a decorative piece that is as practical as it is beautiful. It visually enlarges a space thanks to its large mirrors while adding a classic and luminous touch to a bedroom, walk-in closet, entryway, or living room. The antique patina of the lacquer and the
