

Large Spinning Wheel From The 19th Century.

140 EUR

Period : 19th century

Condition : En l'etat

Material : Solid wood

Length : socle formant un triangle de 45 cm. de côté.

Height : 117 cm .

Description

I'm offering this very large spinning wheel made of mixed fruitwood. It's beautifully crafted and has a lovely patina that will really stand out once the dust is wiped off. One minor drawback: two parts of the bobbin holder are broken, but they're included and ready to be glued back on.
