Description

Large Ceramic Wall Plate with Relief Decoration - Lion attacking an ostrich A significant glazed ceramic wall plate featuring a decoration entirely modeled in high relief depicting a lion subduing an ostrich in an exotic landscape of palm trees and lush vegetation. The highly sculptural treatment of the decoration, combined with a polychromatic palette of nuanced glazes, gives this piece a remarkable sense of depth. The back is fitted with two mounting brackets for wall display. A decorative piece from the second half of the 20th century, of fine craftsmanship, reminiscent of certain French or Italian productions intended for interior decoration. A very beautiful decorative piece. Condition: very good overall condition, with a few slight signs of wear that do not affect its
