

## Pair Of Louis XVI Bookcases

26 000 EUR

Period : 18th century

Condition : Très bon état

Material : Oak

Width : largeur : 167 cm

Height : hauteur : 262 cm

### Description

Pair of Louis XVI-style bookcases, made of oak. The pilasters are fluted and adorned with candlesticks. The corners of the side panels are chamfered. The cornice is carved with godrons. The upper pediment is adorned with an interlaced frieze. The piece is topped by three drawers in the lower section. Each of the two bookcases has two molded doors decorated with garlands of daisies. Normal signs of wear. Ref A6329
