19th-century Glass Perfume Bottle With Silver Mount

185 EUR

Period : 19th century

Condition : Bon état

Material : Glass

Diameter : 2

Height : 7,5

Description

A lovely "eggplant"-colored, almost black glass perfume bottle!The mount is made of solid silver.English hallmarks: London - date letter: F 1821.It still has its small stopper inside.The name "Maud" is inscribed on the stopper; there are some minor imperfections on it, but the bottle as a whole remains in very good condition.England, early 19th century.
