Description

A charming engraved glass vase decorated with laurel leaves by Gallé. A lovely vase featuring beautiful shades of purple against a background of sky blue, opaline, and even yellow at the base. Rich floral design, entirely etched with acid, featuring laurel leaves and flowers in various stages of bloom. Note the finesse of the engraving and the flask-shaped form with a small, open neck. The photos speak for themselves.... In perfect condition, 15.5 cm tall, signed on the side, circa 1910. A very beautiful Art Nouveau vase; the colors are stunning.
