Description

André AVELINE (1930-2020) Landscape of the Vosges Oil on canvas Signed 33 x 46 cm | 40 x 53 cm with frame - From André Aveline's late period, the 1980s. Like many landscape painters of his generation, he moved away from descriptive detail in favor of a synthesis of form and color. In his interpretation of the Vosges landscape, the painter reaches his full artistic maturity here: broad layers applied with a palette knife, generous texture, and an expressive palette combine to create a very free and rhythmic vision, bordering on the abstract. By focusing on the essentials, Aveline's painting gains in visual intensity and decorative power. - Careful and secure shipping within France and throughout Europe. In-person pickup is possible in Franche-Comté or Alsace by mutual agreement.
