

Louis XIII Cabinet

2 850 EUR

Period : 17th century

Condition : En l'etat

Material : Walnut

Width : 160 bas 127 haut

Height : 207 113 plateau

Depth : 65 bas 50 haut

Description

An exceptional Louis XIII-era cabinet. It features 4 doors and 6 drawers on the front. Twisted columns, bronze handles. The bottom lock does not work. The two drawer locks are missing. Some minor restoration work is needed. The piece is in its original condition but is of very fine quality. There is a trace of a label indicating that the piece was in a château near Vesoul and belonged to a marquis.
