Description

An exceptional pair of Louis XVI-style wall sconces in gilded bronze with a blue patina. Shaped like tapered ancient amphorae, they feature five bronze light arms accented with twisted fluting, with fastenings in the form of acanthus leaves and clusters of fruit. The shaft, adorned with three female mascarons wearing aigrettes and garlands of fruit, is topped with a cascade of foliage, trimmings, and oak leaves with acorns. The wall sconces are held in place by gilded bronze ribbon bows. They are mounted on molded wooden plates... Read more [LEARN MORE](#)
