Description

A beautiful pair of curtains from the renowned brand Urgé, crafted from a sturdy cotton-linen blend. The thick fabric drapes beautifully while retaining a natural, authentic look. The timeless and refined paisley pattern has stood the test of time without ever losing its elegance. Its long arabesques with graceful curves intertwine with a delicate scattering of small flowers in a palette of soft tones--beige, celadon, brown, and dusty pink--creating a warm and distinguished ensemble that fits equally well in both classic and contemporary interiors. The curtains feature sewn pleats at the top, ready for installation. The original lining has been removed, allowing you to fully appreciate the fabric's beauty, its natural texture, and the delicacy of its print. This modification also gives them greater flexibility
