Marie Poulain - The Port of Honfleur Signed oil on canvas
A beautiful oil on canvas signed by Marie Poulain, depicting a view of the famous port of Honfleur, with its bustling docks, moored sailboats, and traditional houses with narrow facades. The flags fluttering at the tops of the masts and the figures in the foreground bring life and movement to this charming composition. The artist adopts a personal style, combining bold line work with a luminous palette of greens, blues, grays, and ochres. This graphic approach highlights the iconic architecture of the Vieux Bassin while capturing the lively atmosphere of this Norman port, a source of inspiration for many painters.
