

Set Of 8 Provençal Chairs

1 600 EUR

Period : 20th century

Condition : Bon état

Material : Painted wood

Description

A lovely set of 8 Provençal chairs in the Louis XVI style, upholstered in white fabric. We can recommend an excellent upholsterer. The ears of wheat, emblematic of Provence, are not there by chance. For centuries, they have symbolized abundance, prosperity, and bountiful harvests. A motif rich in meaning, often found in the furnishings of grand southern homes. Shipping by quote
