Description

Our drawing depicts prostitutes behind the barred window of a nightspot. Marie Laurencin had previously explored this theme. The authenticity of the drawing has been confirmed by Daniel Marchesseau, a specialist on the artist. A certificate issued by Frédérick Chanoit accompanies the work. The post-mortem signature stamp is applied to unsigned drawings from the artist's studio for the purpose of authentication Provenance: Robert Philippe Federici collection; Federici was a collector and the gallerist of "Le Vieux Chalet" in Montmartre.
