Description

A very beautiful mercury-gilded bronze table clock. Dial signed Choiselat-Gallien (1784-1853), Maker of bronzes for His Royal Highness, in Paris. As indicated on many clock dials, Choiselat-Gallien produced bronze pieces for His Royal Highness the Count d'Artois, brother of Louis XVI and the future Charles X, who was crowned in Reims. Choiselat-Gallien was a prominent Parisian bronze artist and manufacturer for the Garde Meuble. Note: the gilding shows normal wear; the movement is in perfect working order.
