### Description

A large Persian rug of tribal origin, entirely hand-knotted, made in the second half of the 20th century, approximately between the 1960s and 1970s. It features a classic geometric design with three central medallions on a deep red background, enriched by numerous traditional tribal ornamental motifs and an elegant polychrome border. The artisanal craftsmanship and vibrant colors make it a rug with great decorative impact, easily suited to both classic and contemporary settings. Made of wool, it is in good condition, with normal signs of wear consistent with its age, slight wear on the pile, and a few minor imperfections on the fringes, but no significant structural defects. We recommend a standard cleaning before use. Dimensions: 225 × 162 cm. For further information, photographs,
