Period : 19th century

Condition : Bon état

Material : Bronze

Diameter : 16cm

Height : 30,5cm

Description

Decorative patinated bronze vase, richly engraved with floral, plant, and cloud motifs, featuring two leaf-shaped handles. It rests on an elegant, openwork, four-legged base in the Asian style. The neck bears an inscription in Chinese characters, "?????" (Da Ming Xuan De Nian Zhi), meaning "Made during the reign of Xuande of the Ming Dynasty." This mark is frequently reproduced on more recent decorative objects and does not, on its own, guarantee that the piece was made during the Ming Dynasty. 19th century Good condition.
