

Antique Carpenter's Workbench From The 1920s-1930s

890 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Oak

Description

Former carpenter's workbench converted into a handcrafted sideboard. Restored in our workshop; the structure was stripped and varnished to reveal the natural wood. Sideboard section made of patinated metal with a protective varnish. A one-of-a-kind piece combining industrial authenticity with contemporary functionality, ideal for an interior with a bold character. Dimensions: (H x W x D) 79 x 176 x 40 cm RF4733
