## Oval Coffee Table With Chrome-plated Metal Legs And A White Marble Top, Attributed To Florence

1 950 EUR

Signature : FLORENCE Knoll Travail pour Roche et Bobois

Period : 20th century

Condition : Très bon état

Material : Marble

### Description

Oval white marble coffee table on a chrome-plated steel cross-shaped base, attributed to FLORENCE Knoll, Designed for Roche & Bobois in the 1960s or 1970s White marble top with gray-toned veining, professionally cleaned and repolished.Length: 135 cmWidth: 70 cmHeight: 33 cmFlorence Knoll Basset (born Florence Marguerite Schust in Saginaw, Michigan, in 1917 and died in Coral Gables in 2019) was an American architect and designer.For the most discerning buyers, here are the imperfections: we note very slight scuffs and small scratches on the metal base; on the marble top, there are micro-scratches and minor wear marks from normal use; however, the table remains in excellent condition
