Description

COD 01222Antique Italian painting from the second half of the 18th century. An oval-shaped artwork oil on canvas depicting a still life, a vase of flowers adorned with a landscape and architecture in the background, with good pictorial quality. A large, striking painting adorned with an antique (non-coeval, adapted to the painting) carved and gilded frame, beautifully decorated.A painting that can easily be placed in various locations in the home, suitable for antique dealers, interior decorators, and collectors. The work has undergone extensive conservative restoration work, including relining, replacement of the stretcher, and repainting in several areas (see photo). The painting shows some signs of the restoration and two small losses of color (see photo). Overall, the painting is in fair
