Description

Portrait of a little blond boy with blue eyes, painted by his aunt. The inscription on the back tells us that this is Louis Faure, who later became a doctor and was born in 1869. This young child must be about 2 years old, which means this painting dates from 1871. Oil on cardboard, under glass, framed in its original gilded frame, Louis Philippe period. With frame: 32 x 32 // Round view, diameter: 21.5
