

Decorative Plate Depicting A Woman's Profile, Gilded Copper, Late 19th Century.

600 EUR

Period : 19th century

Condition : Bon état

Material : Copper

Diameter : 32

Description

Decorative plate made of copper using electroplating. The center of the plate depicts the profile of a woman. Her lace dress is complemented by a slightly updo hairstyle and adorned with numerous pieces of jewelry. Facing the woman is a parrot; she is also surrounded by foliage, combat accessories, and theatrical motifs. The plate's wide rim is adorned with a dense arabesque. 19th century. Polychrome copper, silver-plated and gilded. Diameter: 32 cm. Condition: good; the rim of the plate is dented in two places.
