### Description

The innocence of her face perfectly complements the position of her hands. Her rosy cheeks contrast beautifully with the gold trim on her dress. The buttons and the ruffled collar enhance this harmonious balance. Is her nightcap just a cap after all, or are her legs holding it in place? One thing is certain: her "round feet" are minimalist. The colors make her timeless. She's waiting for just one thing... her owner. Shipping available (not included in the price)
